

PRIVACY POLICY

General

This Privacy Policy is intended to give you confidence in the way we handle the personal information we obtain from you during your visit on our Website.

Net React is registered, under the Personal Data Protection Act of the Republic of Bulgaria as personal data administrator.

All visitors (referred to as “Users/You”) on our website – www.netreact.com (“the Website”) are encouraged to read and understand our privacy policy.

Information Collection

When you use this Website you may be asked for personal information such as name, email address and others, needed to fulfil your inquiry.

By providing the aforementioned information, you consent to the fact, that we will use this information in the process of services provision and in the manners described in this policy.

Net React may collect personally identifiable details from you in different ways, e. g. completing online forms as part of the process of ordering products and services.

You may withdraw your consent at any time by emailing us at legal@netreact.com

Cookies/Tracking Technology

Net React may collect information about the number of unique viewers, visiting the Website, how Users use the Website or else. For that reason we may create and access cookies (a piece of information which is stored within your browser and allows us to identify if you have visited the site before).

Use of Information

Net React may use your information to process your service requests, to personalise your visit to our site or to provide access to privileged areas of the Website. It may also enable us to review, develop and improve the products, services, and special offers we provide online. Our company may occasionally carry out research and send you information about services and offers that we think will be of interest to You.

Please note that Net React will never and under no circumstances, sell, provide to, or disclose its User Database to any third-party entity, for marketing or mailing list purposes.

Sharing

Net React reserves the right to disclose user information to its employees, agents or potential partners and investors in order to administer any accounts, products and services provided to You by the company. In the event that Net React is acquired, merged with, or sold to another entity, Net React may provide user information that is related to that part of the business that was sold to or merged with the other entity.

Security

We use the best IT security and data protection practices to guarantee that all personal data is kept secure.

Policy Changes

Net React reserves the right to make changes to this policy and publish the newest version at our Website.

Contacting Us

Please refer any questions concerning this statement, to legal@netreact.com. If you are not willing to receive solicitations from Net React, please email our Customer Service team at info@netreact.com.
